Invite and remove users

Invite users to join your Astra beta program account and remove users that should no longer have access to your account.

Invite users

Account Owners and Admins can invite other users to join the Astra account.

Steps

1. Click **Account**.
2. In the **Users** tab, click + **Invite users**.
3. Enter the user's name, email address, and their role.

   Note the following:

   - The email address must match the email address that the user used to sign up to Cloud Central.
   - Each role provides the following permissions:
     - An **Owner** has Admin permissions and can delete accounts.
     - An **Admin** has Member permissions and can invite other users.
     - A **Member** can fully manage apps and clusters.
     - A **Viewer** can view resources.

4. Click **Send invite/s**.

Result

The user will receive an email that invites them to join your account.

Remove users

An Account Owner can remove other users from the account at any time.

Steps

1. Click **Account**.
2. In the **Users** tab, select the users that you want to remove.
3. Click **Actions** and select **Remove user/s**.
4. When you're prompted, confirm deletion by typing the user's name and then click **Yes, Remove User**.

Result

Astra removes the user from the account.
